

As ODE Yalitim San.A.S,

We confirm that our Evomineral glasswool products are recyclable by using as raw material again in glasswool production if material is clean and dry form.

In addition, ODE Yalitim Evomineral contains 70-80% recycled glass in the cullet raw material in its production.

| Component | Component (%) |
|----------------|---------------|
| GLASS FRACTURE | % 70- % 80 |
